Bike Route 4: Oxbow distance ~ 30 miles

Notes: From Bicycle Sports, head west on 16th street to the junction with West Circle Drive (C.R. 122). Head west for about 1 mile and turn left on the Salem Road (C.R. 25) out to Salem Corners (alternatively, on 16th street, turn right on the bike path and go west on the bike trail out to the end of the trail on C.R. 25. Turn left to go to Salem Corners. This avoids much of the busy traffic areas). Continue through Salem corners and turn right on to C.R. 5. Go north through Byron to Oxbow Park. Turn right on C.R. 4 and head east to intersection with C.R. 104. Head south, crossing U.S. 14 to C.R. 34. Turn left on C.R. 34 to head east into Rochester. At the traffic lights on West Circle Drive, turn right to go up the hill and down past the Historical society. Turn on to the bike path to avoid the traffic back to 16th street.

- Good road for cycling
- Not suitable
- Bicycle Trail
- County Line
